LUNCH PERIODS

Students are expected to be in the cafeteria during their designated lunch period. Outside food deliveries to the high school during lunch or any other time is strictly prohibited.

SCHEDULE CHANGES

Students will not be able to change class schedules after the first week of the semester. All student requests for a change of schedule will be denied for the remainder of the semester. Where extenuating circumstances exist, each case will be reviewed on an individual basis. The request must be made to the counselor, who will work with the principal to make the decision.

CLASS RANK/HONOR GRADUATES

To be recognized as an honor graduate, students must have a 90.0 or higher numerical average for all core classes (English, Math, Science, Social Studies, and Foreign Language) in 9th – 12th grade.

CLASS RANK

High School rank for students seeking automatic admission to a general teaching institution on the basis of their class rank is determined and reported as follows: ¶ Class rank shall be based on the end of the eleventh grade, middle of the twelfth grade, or at high school graduation, whichever is most recent at the application deadline. ¶ The top ten percent of a high school class shall not contain more than ten percent of the total class size. ¶ The student's rank shall be reported by the applicant's high school or school district as a specific number out of a specific number total class size. ¶ The Texas school or school district from which the student graduated or is expected to graduate shall determine class rank. ¶ A student who completes the high school program requirement in fewer than four years shall be ranked in the class with which he/she actually graduates.

For two school years following their graduation, district graduates who ranked in the top ten percent and, in some cases, the top 25% of their graduating class are eligible for admission into four-year public universities and colleges in Texas. Students and parents should contact the counselor for further information about how to apply and the deadline for application.

STUDENTS WHO FAIL EXIT-LEVEL TESTING

Students in grades 9 – 11 are required to pass the following EOC exams before graduation:

1. English I (Reading and Writing)
2. English II (Reading and Writing)

5. U.S. History

Students who fail any of these tests are required to re-take the test(s) during the three scheduled retest opportunities each year.

Severe illness of the student must be verified by a written statement from a physician or other acceptable licensed practitioner delivered by the parent or guardian during a personal conference with the principal. In either case, the parent or guardian shall be notified in writing whether the principal has excused the absence.
